

Brokers, if you can't passport through the EU, what's your plan?

Post-Brexit is an uncertain time. On 30 March 2019, you may lose the ability to intermediate and place insurance contracts for EU clients. **Which means you may lose profitable accounts.**

You could take the difficult, expensive approach of establishing an EU subsidiary to apply for an intermediation licence. Or...

You can continue your EU business with a domiciled Broker PCC operated by Artex Malta.

- > Low cost
- > Low maintenance
- > Quick-to-implement
- > Available to UK brokers, as well as other non-EU country intermediaries
- > Allows cell to be established, owned, licensed and utilised by an intermediary
- > Artex-provided management

For application and requirements, contact Artex today.

Artex will guide clients through the cell application process and liaise with the regulator throughout the process. Once the cell licence is issued, we provide local outsourced management services to ensure the smooth and efficient operation of the cell.

Artex Malta

Artex Malta is the largest insurance manager in Malta with substantial local knowledge and insurance expertise. We have more than 20 years' experience in Europe working in partnership with clients – designing and undertaking feasibility studies; setting up, licensing and managing insurance companies and intermediaries; and ensuring personal and continuous assistance from concept through realisation of business objectives.
